

Small Group Facilitator Idea Bank

You don't have to be a Bible teacher to lead a Small Group. Start with something you already enjoy, something you're passionate about, a season of life you understand, or an area where you'd like to grow and create a space where people can build relationships and grow closer to God.

Use this list as an idea menu for people who want to facilitate a group but are unsure what kind of group to start. Leaders can choose an idea, adapt it, or use it as inspiration for a group built around their interests, life stage, experience, or spiritual growth.

#	Category	Group Ideas	Description
